Joint European Torus (JET) Joint Undertaking: amendments to the statutes

1998/0063(CNS) - 03/09/1998

The rapporteur, Mrs Nuala AHERN, proposed that parliament's plenary approve the proposal for a decision approving amendments to the Statutes of the Joint European Torus (JET), Joint Undertaking. This proposal includes an amendment to the regulations applicable to the staff of the project team in order to abolish discrimination against certain members of staff posted to the project, technical amendments concerning the members of the JET joint undertaking (resulting from a number of institutional changes and Austrian membership), amendments to the voting arrangements and technical amendments to replace the reference to the British Companies Act.
