

Limitation of emissions of volatile organic compounds due to the use of organic solvents in certain paints and varnishes and vehicle refinishing products

2002/0301(COD) - 12/01/2004 - Commission communication on Council's position

The Commission supports the Common Position. In particular the Commission welcomes the clarification of the purpose and scope of the Directive. The Commission is confident that this clarification adequately responds to the political concerns expressed by both Parliament and Council concerning protection of the health of workers and consumers.
