

Carriage of goods by road (repeal. Directive 62/2005/EEC). Codification

2004/0017(COD) - 02/02/2004 - Legislative proposal

PURPOSE : legislative codification. **CONTENT** : the purpose of this proposal is to undertake a codification of the First Council Directive of 23 July 1962 on the establishment of common rules for certain types of carriage of goods by road. The new Directive will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.
