1998/0360(COD) - 22/04/2004 - Commission opinion on Parliament's position at 2nd reading

The Commission can accept the two amendments proposed by the European Parliament. Namely: - specification that the provisions of the agreement mentioned in Article 1, point 1, must be notified to Parliament and the Council; - bringing the period to be completed by family members into line with that to be completed by former frontier workers themselves, in order to be eligible for benefits in kind within the territory of the previous State of employment, as provided for in Article 18 of the Regulation.
