Veterinary and animal nutrition sectors: microbiological criteria for foodstuffs and feedingstuffs

1981/1104(COD) - 14/09/1981 - Legislative proposal

This proposal for a Council Decision on general conditions to be followed for establishing microbiological criteria for foodstuffs and feedingstuffs, including the conditions for their preparation, in the veterinary, foodstuffs and animal nutrition sectors dates from 1981. It is accompanied by two annexes. Annex A deals with the general principles to be followed for establishing microbiological criteria. Annex B contains a list of products for which the criteria require to be established.
