Consumers: financial services. Green paper

1996/2096(COS) - 17/02/1997

The Commission should ensure that all its actions in the field of financial services are "Eurocompatible", ie that they take account of the forthcoming introduction of the EURO single currency, the Committee decided in adopting the non-legislative report by Mrs Elena MARINUCCI (PES, I) on the Commission green paper on financial services.
