Customs 2002: action programme 1996-2002 in the Community

1998/0314(COD) - 30/11/1999

The committee unanimously adopted the recommendation for second reading (codecision procedure) by Claude MORAES (PES, UK) on the Council's common position on the action programme for customs in the Community. The committee welcomed the fact that the common position had incorporated most of the Parliament's amendments at first reading and adopted one amendment to the common position aimed at clarifying a commitology issue.
