Third-countries nationals: removal by air, assistance in cases of transit. Initiative Germany

2003/0801(CNS) - 25/03/2003

The committee adopted the report by Timothy KIRKHOPE (EPP-ED, UK) broadly approving the proposal, subject to a few amendments (consultation procedure). These sought to ensure the safe transit of travel documents and to clarify the ability of escorts to take measures for self-defence and in an emergency. MEPs also said that appropriate information should be provided to the airline concerned.
