Fisheries sector: restructuration of the Community fishing industry for the period from 1.1.1997 to 31.12.2002, POP IV

1996/0142(CNS) - 26/11/1996

The draft report was adopted. This three-year compromise concerns the objectives and detailed rules for restructuring the Community fisheries sector with a view to achieving a balance on a sustainable basis between resources and their exploitation.
