EC/Equatorial Guinea fisheries agreement: protocol for the period from 1st July 1997 to 30 June 2000

1997/0268(CNS) - 27/10/1997

The Committee adopted the report of Mr Heinz KINDERMANN (PSE, D) on the Agreement on Fisheries with Equatorial Guinea. This seeks the conclusion of protocols on fishing opportunities and on financial compensation and emphasises, in particular, the need for the European Parliament to be better informed, especially on fishery resources and surveillance measures, through the presentation of a report from the European Commission before the Protocol expired.
