

Conservation of fishery resources through technical measures for the protection of juveniles of marine organisms: conditions

2000/0215(CNS) - 06/02/2001

The committee adopted the report by Daniel VARELA SUANZES-CARPEGNA (EPP-ED, E) approving the proposal under the consultation procedure, subject to one drafting amendment designed to ensure that the regulation did not have to be amended each time changes needed to be made to the addresses, telephone numbers, etc. of the control authorities of the Member States.
