EC/San Marino agreement: customs union and cooperation agreement following the 1995 enlargement

1997/0022(AVC) - 03/06/1998

The Commission unanimously adopted the draft decision on the Protocol to the Agreement on Cooperation and Customs Union between The European Economic Community and the Republic of San Marino. In view of the effects of recent enlargement, the time has now come for this act as the protocol in question is the legal instrument which makes Austria, Finland and Sweden parties to the cooperation agreement, the ratification procedure for which was under way when they joined.
