Agricultural prices 1994/1995: distillation operations of wine and by-products of wine-making

1994/0909(CNS) - 31/01/1994 - Legislative proposal

1994/95 AGRICULTURAL PRICES: This proposal recommended that aid should be held at the same level as the previous marketing year, in other words at ECU 110.41/box, which should enable silkworm rearing to continue in the regions of the Community where it existed.
