EC/Ukraine agreement: interim agreement on trade and trade-related matters

1994/0185(CNS) - 19/07/1994 - Legislative proposal

This proposal for a decision aimed to conclude an interim agreement on trade and trade-related matters between the Community, the ECSC, EURATOM and Ukraine. This interim agreement allowed the provisional implementation of the provisions of the Partnership and Cooperation Agreement concerning trade and trade-related matters between the Community and Ukraine and would apply until the definitive entry into force of this partnership agreement. It provisionally replaced the trade provisions of the Agreement on Trade and Commercial and Economic Cooperation concluded in 1989 between the Community and the USSR with specific reference to Ukraine.
