The way forward for civil aviation in Europe

1994/2079(COS) - 30/01/1995

The committee adopted the report of Mr Jose Ignacio SALAFRANCA SANCHEZ-NEYRA (sp, EPP) on the Communication from the European Commission on the way forward for civil aviation for Europe. The Commission communication was submitted on 1 June 1994 and contains arrange of measures for tackling the problems and imbalances of European civil aviation and increasing its efficiency. M. BOSSON, Président-in-Office of the Transport Council, had come to the Commission for an exchange of views.
