Combined goods transport: financial assistance to action pilots PACT

1996/0207(SYN) - 14/04/1997

Ulrich STOCKMANN (D, PES) saw his report on Community financial assistance for actions to promote combined transport (PACT) adopted. The Committee welcomed the Commission's new PACT programme. The programmes budget will be increased to ECU 35m over six years and it may also apply to the countries of Central and Eastern Europe in combination with a PHARE project.
