Development of ISDN as a trans-European network TEN-ISDN: multiannual Community action

1993/0528(SYN) - 17/11/1994 - Modified legislative proposal

The amended proposal incorporates Parliament's amendments: - relating to various aspects of the promotion and benefits of ISDN to SMEs, the first group targeted by the multiannual project; - introducing the notion of "coordination" in projects of common interest. Coordination will not be confined to defining and carrying out feasibility studies; it will also apply to their implementation; - on cooperation with the countries of the EEA and countries which have concluded association agreements with the Community;
