# Agricultural prices 1995/1996: milk and milk products, total quantities for Greece, Spain and Italy

1995/0023(CNS) - 08/02/1995 - Legislative proposal

The proposal for a regulation seeks to extend to the periods 1991/92 and 1992/93 the increase adopted for the periods 1993/94 and 1994/95 in total quantities fixed for Greece, Spain and Italy under the system for the additional levy in the milk and milk products sector. The increase in total quantities for Greece, Spain and Italy would result in financial corrections as part of the auditing of accounts for the 1992 and 1993 financial years, in line with the joint conclusions of the Council and Commission of 21.10.1994.
