Agricultural prices 1995/1996: basic price and standard quality for pig carcasses

1995/0047(CNS) - 22/02/1995 - Legislative proposal

Pigmeat: agricultural prices 1995/1996. The Commission proposed reducing the basic price by 3.8% compared with the 1994/1995 period in order to take account of the reduction in the price of cereals. As a result, for the period from 01.07.1995 to 30.07.1996 it was proposed fixing the basic price for slaughtered pigs of the standard quality at ECU 1,509.39 per tonne. The standard quality was defined in terms of carcass weight and lean meat content and was determined as follows: - carcasses weighing 60 kg to less than 120 kg: grade E, - carcasses weighing 120 kg to 180 kg: grade R.
