Research RTD, 4th framework-programme 1994-1998: adjustment of funding following 1995 enlargement (amend. Decision 1110/94/EC)

1995/0092(COD) - 12/04/1995 - Legislative proposal

The proposal for a decision aimed to increase the amounts for the fourth framework programme on research and technological development (1994-1998) following the accession of Austria, Finland and Sweden. It was proposed that the Community's maximum total financial contribution be increased to ECU 11 819 million (compared to ECU 11 046 million), including ECU 5 447 million on an indicative basis for the period 1994-1996 and ECU 6 372 million for the period 1997-1998. The distribution of the amounts (in millions of ecus) between the four activities was thus as follows: - Activity I (RTD programmes): 10 092; - Activity II (international cooperation): 578; - Activity III (dissemination and optimisation of results): 353; - Activity IV (training and mobility): 796.
