Continuous position monitoring of Cummunity fishing vessels (amend. Regul. 2847/93/EEC and dec. 89/631/EEC)

1995/0176(CNS) - 06/07/1995 - Legislative proposal

- OBJECTIVE: the proposal for a decision seeks to extend the time-limit for implementing certain pilot projects on continuous position monitoring of Community fishing vessels, and the Community contribution to the expenditure incurred in their implementation. - SUBSTANCE: . an additional period to be granted to certain Member States (up to 31.12.1995) to complete their pilot projects so that they can be of greatest use; . deferral to 01.07.1996 of the date on which the Council will decide on the application of the continuous position monitoring system, whether land or satellite-based and using satellite communications for data transmission; . adjustment of the period laid down in Decision 89/631/EEC on a Community financial contribution towards expenditure incurred for the purpose of ensuring compliance with the Community system for the conservation and management of fishery resources (31.12.1995); . extension of the time-limit (to 30.04.1996) by which Member States must submit applications for reimbursement of expenditure incurred when implementing the above pilot projects.
