Trans-European data communications networks between administrations IDA: guidelines

1993/0493(CNS) - 27/09/1995 - Modified legislative proposal

The Commission's amended proposal retains the three amendments adopted by Parliament which seek: - to introduce the need for developing data communications networks between Administrations; - to include information exchange with the countries of central and eastern Europe; - to include a reference to the co-decision procedure (Article 129C and Article 129D).
