Marketing of seeds potatoes (codif. direct. 66/403 /EEC)

1995/0302(CNS) - 11/12/1995 - Legislative proposal

OBJECTIVE: The proposed consolidated version of Council Directive 66/403/EEC of 14 June 1966 on the marketing of seed potatoes forms part of a much larger programme of consolidation on the provisions on seeds and propagating material for agriculture, horticulture and forestry. It aims at legislative consolidation. The new directive will supersede the various directives incorporated in it; their content is fully preserved, and they are brought together with only such formal amendments as are required by the codification exercise itself. This codified text will be used as the basis for the further development of legislation in this field.
