Quality wines produced in specified regions (amend. regul. 823/87/EEC)

1996/0007(CNS) - 12/01/1996 - Legislative proposal

incorporating new specific traditional terms defined by Germany. SUBSTANCE: under the proposed Regulation: - new specific traditional terms may be used in Germany to designate quality wines produced in specified regions (qwpsr); and - the name of a new qwpsr may be used for a transitional period to designate table wines which have traditionally been called by that name.
