1996/0075(CNS) - 14/02/1996 - Legislative proposal

Agricultural prices and related measures 1996/97 - Sparkling wines and liqueur wines. Pending the establishment of the new common market organization in wine, the Commission proposes to extend until 1 April 1997 the deadline for the submission by the Commission of reports to the Council on the maximum content of sulphur dioxide of sparkling wines and liqueur wines, possibly containing appropriate proposals. The Council would thus decide on possible measures to be applied as of 1 September 1997.
