Transport of certain fresh fruit and vegetables from Greece (amend. Regul. 3438/92)

1996/0100(CNS) - 03/04/1996 - Legislative proposal

OBJECTIVE: amending Regulation 92/3438/EEC laying down special measures for the transport of certain fresh fruit and vegetables originating in Greece as regards their period of application.
SUBSTANCE: Council Regulation (EEC) No 3438/92 provided for the grant in 1992, 1993 and 1994 of a special temporary allowance for the transport of certain Greek fresh fruit and vegetables to Community Member States other than Italy, Spain and Portugal as a result of the need for these products to avoid the territory of the former Yugoslavia. In view of the fact that transport conditions in some territories of the former Yugoslavia have not yet returned to what they were before the war, it is proposed that the Council prolong the measure for the first six months of 1996 (until 30 June 1996).
