

Conservation of fishery resources (regul. 3094/86/EEC). Codified version

1991/0532(CNS) - 08/07/1996 - Amended legislative proposal for reconsultation

In view of the fact that Regulation (EEC) No 3094/86 laying down certain technical measures for the conservation of fishery resources has been amended by Regulation (EC) No 3071/95, the Commission has presented a new amended proposal to consolidate the above Regulation
