Statistics on the trading of goods between Member States: computer networks between administrations, EDICOM 1996-1999

1996/0173(SYN) - 16/10/1996 - Modified legislative proposal

The Commission's modified proposal incorporates the amendment adopted by Parliament and emphasizes, in a new recital, that the measures aimed at ensuring the interoperability of telematic networks between administrations fall within the framework of priorities adopted in relation to the guidelines for trans-European telecommunications networks.
