EC/Senegal fisheries agreement: fishing off the coast, extension of the protocol for the period from 2 October 1996 to 1th November 1996

1996/0287(CNS) - 27/11/1996 - Legislative proposal

OBJECTIVE: to conclude an Agreement in the form of an exchange of letters between Senegal and the Community with a view to extending by one month (2 October 1996-1 November 1996) the current EC-Senegal Fisheries Protocol. SUBSTANCE: this extension is needed so that negotiations can continue without any suspension of fishing by Community vessels, of which there are over 60, in Senegal's waters.
