Organisation of veterinary checks (amend. direct. 71/118, 72/462, 85/73, 91/67, 91/492, 91/493, 92/45, 92/188/EEC)

1996/0110(CNS) - 27/06/1997 - Modified legislative proposal

The European Commission amended its proposal in the light of the European Parliament's opinion and made provision for Article 100A of the Treaty rather than Article 43 to be used as the legal basis, given that the provisions of the directive in question have implications for the protection of public health and the working of the internal market.
