Decentralized Community agencies: European environment Agency, discharge

1997/0256(CNS) - 06/10/1997 - Legislative proposal

OBJECTIVE: to amend Regulation (EEC) No 1210/90 on the establishment of the European Environment Agency in order to modify the regulatory framework governing the management of the Agency's budget.
CONTENT: the proposed changes relate to: - power of discharge: as this body is basically financed by Community subsidy, it is proposed to grant the power of discharge to the European Parliament at the recommendation of the board of directors of the Agency; - financial control: financial control of the Agency will be carried out by the Commission's Financial Controller.
