Agricultural prices 1998/1999: support system for producers of arable crops (amend. regul. 1765 /92/EEC)

1998/0035(CNS) - 09/02/1998 - Legislative proposal

Agricultural Prices 1998/1999 - Arable crops. In the framework of the 1997/98 price package, the Council decided that, from 1998/99 onwards, Member States must inform producers of the application of sub base areas, allowing them to target the penalties for base area overshoots to the regions responsible, by 15 May at the latest. In the light of experience in 1997, the Commission proposes to fix the deadline for informing producers at 15 September instead of 15 May.
