Agricultural prices 1999/2000: sparkling wines and liqueur wines (amend. regul. 2332/92/CEE, 4252/88/EEC)

1999/0033(CNS) - 08/02/1999 - Legislative proposal

Prices for agricultural products 1999/2000 - liqueur wines and sparkling wines): Pending the decision on the reform of the common market organisation for the wine sector, which will come into force on the 01/08 /2000, the Commission proposes the extension by one marketing year of certain related measures and derogations and notably the requirement to present a report on the sulphur dioxide content of wines, sparkling wines and liqueur wines to be accompanied, where appropriate with proposals.
