Agricultural prices 1999/2000: intervention price for adult bovine animals (amend. regul. 805/68 /EEC)

1999/0037(CNS) - 08/02/1999 - Legislative proposal

Prices for agricultural products 1999/2000 - Bovine meat: Agenda 2000 already proposes to set the intervention price from 01/01/2000 to 30/06/2000 at EUR 347.5/100kg carcass weight for males of quality R3. Taking account of this fact, under the 1999/2000 pricve review, the Commission proposes to fix this price at the same level, but only for the remaining period between 01/07/1999 and 31/12/1999.
