

Protection of consumers: distance contracts

1992/0411(COD) - 18/09/1995 - Commission communication on Council's position

The Commission considered that the Council's compromise was relatively close to its initial proposal. During the discussions, the Commission had been persuaded to accept the exclusion of financial services and greater flexibility with regard to access to justice. It felt that the solutions reached by the Council could have been more balanced.
