# EC own resources: EC financing 1993-1999 (repl. dec. 88/376/376/EEC)

1993/1035(CNS) - 09/02/1994 - Text adopted by Parliament, 1st reading/single reading

The European Parliament followed the recommendation of its rapporteur, Mr Langes, and approved the proposal for a Council decision, subject to a number of amendments. In particular, Parliament called on the Commission to present proposals for reforming the Union's finances on the basis of a real system of own resources before the 1996 intergovernmental conference opened, and, at the same time, for possibly creating a fifth resource.
