Continuous position monitoring of Cummunity fishing vessels (amend. Regul. 2847/93/EEC and dec. 89/631/EEC)

1995/0176(CNS) - 05/12/1995 - Final act

OBJECTIVE: extending the time-limit for implementing certain pilot projects on continuous position monitoring of Community fishing vessels and the Community contribution to the expenditure incurred in their implementation. COMMUNITY MEASURE: Council Decision 95/524/EC amending Regulation (EEC) No 2847/93 and Decision 89/631/EEC. SUBSTANCE : - additional period granted to various Member States (up to 31 December 1995) to complete their pilot projects so that they can be of greatest use; - deferral to 1 July 1996 of the date on which the Council will decide on the application of the continuous position monitoring system, whether land or satellite-based, and using satellite communications for the transmission of data; - adjustment of the period laid down in Decision 89/631 /EEC, on a Community financial contribution towards expenditure incurred by Member States for the purpose of ensuring compliance with the Community system for the conservation and management of fishery resources (31 December 1995); - extension of the time-limit (to 30 April 1996) by which Member States must submit applications for reimbursement of expenditure on implementing the above pilot projects.
