Hops: aid to producers for the 1986 harvest

1994/0275(CNS) - 20/02/1995 - Final act

The Council Regulation amends Regulation (EEC) No 2997/87 laying down, in respect of hops, the amount of aid to producers for the 1986 harvest and providing for special measures for certain regions of production. The Regulation provides for the following: - to extend from 1994 to 1996 the duration of the varietal conversion plans for hops in Spain, Portugal and Belgium; - to extend from 1994 to 1995 the duration of the varietal conversion plans for hops in the United Kingdom. The Regulation was to apply from 1.01.1995.
