Decentralized Community agencies: Agency for security and health at work (amend. Regul. 2062 /94/EC)

1995/0809(CNS) - 29/06/1995 - Final act

The Council adopted Regulation (EC) No 1643/95 amending the Regulation establishing a European Agency for Safety and Health at Work. The main aim of these technical amendments was to take account of the enlargement of the Community. The amendments related mainly to the composition of the Agency's Administrative Board. It consisted of 48 members, of whom: . 15 members represented the Member States; . 15 members represented the employers' organisations; . 15 members represented the employees' organisations; . 3 members represented the Commission. The term of office of members of the Administrative Board was three years and was renewable. Decisions by the Board would be taken by a majority of two thirds of the votes. The Regulation would enter into force on 10 July 1995.
