# Research RTD 1994-1998: participation of undertakings, research centres, universities. Specific programmes

1994/0012(SYN) - 05/05/1994 - Text adopted by Parliament, 1st reading/single reading

Parliament approved the Commission proposal subject to three amendments. These amendments seek to: - limit the administrative costs of the procedures used for calls for research proposals; - stipulates that a fraction of the costs of the projects will be reimbursed in good time; - ensure that the Commission's annual report to Parliament and the Council, in compliance with this framework programme, contains information on the implementation of this decision; - ensure that the Commission re-examines this decision before the end of this framework programme.
