Pilot project on satellite tracking in the NAFO regulatory area: prolonging the pilot project to 31 December 1998

1997/0346(CNS) - 13/03/1998 - Text adopted by Parliament, 1st reading/single reading

In adopting the report by Mr Daniel VARELA SUANZES-CARPEGNA (PPE, E), the European Parliament approved the proposal to extend for one year the pilot project on satellite tracking in the North-west Atlantic Fisheries Organization area. The only amendment adopted by Parliament called on the Commission to draw up by July 1998 a full report on the application of the various control systems currently in force in the NAFO area.
