1994/0202(CNS) - 07/04/1995 - Text adopted by Parliament, 1st reading/single reading

Having delegated its decision-making power to its Committee on Fisheries (in accordance with the procedure laid down in Rule 52 of the EP's Rules of Procedure), the European Parliament approved this proposal for a decision with the following amendments: - during the final year of application of the protocol (and before its renewal was approved), the EP called for a report to be submitted to Parliament and to the Council on the application and the implementing conditions of the agreement, accompanied by a financial statement of the EC/Côte d'Ivoire fisheries agreement and a summary of the scientific actions financed under the protocol; - on the basis of these reports and following consultation of the EP, the Council would authorise the Commission to lead the negotiations on a new implementing protocol for the fisheries agreement.
