Extension of PHARE programme to Croatia (amend. Regul. 3906/89/EEC)

1994/0271(CNS) - 27/04/1995 - Text adopted by Parliament, 1st reading/single reading

Parliament approved this proposal with one amendment to the substance of the text. It aimed to make the economic aid granted to all the countries of Central and Eastern Europe subject to their respect for democratic principles, human rights and fundamental freedoms, and compliance with the principles of the market economy and social justice. Moreover, from 1990 the Commission should submit to Parliament, the Council and the Economic and Social Committee an annual report on the implementation of this programme specifically addressing the question of whether or not all participating countries had respected the basis principles referred to above.
