Strategy for partnership EU/India

1996/2114(COS) - 12/03/1999 - Text adopted by Parliament, single reading

The Parliament adopted a Resolution on the Commission's communication on EU-India Enhanced Partnership, drafted by Ms. Anne ANDRE-LEONARD (ELDR, Belgium). Although the EP voted its support for a strong EU-India relationship, it did, however, strongly condemn the nuclear tests conducted by both India and Pakistan. Parliament also indicated its concerns regarding religious tension and the exploitation of children.
