1995/0035(CNS) - 18/05/1995 - Text adopted by Parliament, 1st reading/single reading

The European Parliament approved the Commission proposal. It asked that the current provisions under which cereals with a specific humidity content were subject to intervention be maintained in the 1995 /1996 financial year. It also opposed the proposal that the intervention period should begin two months later than in the previous financial year. The European Parliament rejected the request by its Committee on Agriculture for a 1% linear increase in agricultural prices for 1995/1996.
