Agricultural prices 1995/1996: rice, common organisation of the market COM (amend. regul. 1418/76/EEC)

1995/0037(CNS) - 18/05/1995 - Text adopted by Parliament, 1st reading/single reading

The European Parliament rejected the request by its Committee on Agriculture for a 1% increase in agricultural prices for 1995/1996. It favoured the reintroduction of special aid for indica rice at its previous level for the 1995/1996 marketing year at ECU 100/ha, in order to encourage efforts initiated by the Union to change to other varieties. Furthermore, with regard to the trading system with third countries, the EP called on the Commission to submit a legislative proposal based on considerations such as ceiling prices, import prices and import systems.
