Accession of the Euratom to the Korean Peninsula Energy Development Organisation, KEDO

1997/2222(COS) - 23/03/1999 - Text adopted by Parliament, single reading

The Parliament adopted its Resolution on the Agreement on terms and conditions of the Accession of the European Atomic Energy Community to the Korean Peninsula Energy Development Organisation (KEDO) drafted by Mr. Leo Tindemans (EPP, B). The Parliament approved the EU's accession to KEDO, but was critical of the Commission for not having kept it informed of agreements under the Euratom Treaty. MEPs voted to endorse the agreement to pay for the modernisation of nuclear power stations in North Korea through the KEDO.
