Animal diseases, public health: zoonoses control and prevention, food-borne intoxications (amend. Directive 92/117/EEC)

1999/0003(COD) - 13/04/1999 - Text adopted by Parliament, 1st reading/single reading

At first reading under codecision procedure without report, the European Parliament approved the proposal for a European Parliament and Council directive amending directive 92/117/EEC concerning measures for protection against specific zoonoses and specific zoonotic agents in animals and products of animal origin in order to prevent outbreaks of food-borne infections and intoxications.
