# Agricultural prices 1996/1997: aid for the consumption of olive oil (amend. regul. 3089/78 /EEC)

1996/0904(CNS) - 23/05/1996 - Text adopted by Parliament, 1st reading/single reading

Adopting the report by Mr Giacomo SANTINI (UPE, I), the European Parliament rejected the Commission's proposals to grant aid for consumption for imported products, i.e. those of non-Community origin. The EP thought that the Community preference should be guaranteed for genuine oil produced in Europe, pending the reform of the sector.
