Convention on cooperation for the protection and sustainable use of the Danube

1996/0184(CNS) - 24/11/1997 - Final act

OBJECTIVE: to conclude, on behalf of the Community, the Convention on cooperation for the protection and sustainable use of the river Danube. COMMUNITY MEASURE: Council Decision 97/825/EC. SUBSTANCE: the Council decided to approve, on behalf of the Community, the Convention on cooperation for the protection and sustainable use of the river Danube. The Convention had already been signed on behalf of the Community on 29/06/1994; its purpose is to establish a framework for bilateral or multilateral cooperation to protect the aquatic environment, prevent and control pollution of the Danube and ensure sustainable use of the water resources of the Danubian States.
